Describe your need...

We are a 501(c)(3) organization that was founded a year and a half ago. We provide services to cancer patients and their caregivers in the Northwest Ohio area. Our organization is in need of a simple, yet professional, informational website that will tell visitors who we are, what we do and any important announcements, especially regarding upcoming events. (Our current website is a blog account at [www.cancerconnectionofnorthwestohio.com](http://www.cancerconnectionofnorthwestohio.com).) We are also working towards an annual campaign and could use help creating a marketing/branding strategy to make the most of our efforts.

What's your budget? \$0 - \$499
