Describe your need...

We are a small organization, started by a doctor who is from Pakistan to make education available there. Please see www.dosti.org.

We would appreciate a professional evaluation of the effectiveness of our literature and materials and advice on how we can improve our overall "pitch" to attract more donors. We may also need manpower for advertising "events" such as our booth at the Lucas County Fair.

I assume the question below refers to advertising budget and not the organization's budget overall. We really don't spend anything on advertising. Office supplies, etc. are donated in-kind through our director's other business.

There isn't a set time-table

What's your budget? \$0 - \$499
