Describe your need...

We are a 501(C)3 foundation that supports efforts of the Sylvania Schools. We are entering our 20th year of supporting the academic efforts for students and alumni of the school district. We fund programs for the schools, a hall of fame for alumni, and scholarships for graduating seniors.

We are in need of marketing support and taking our Foundation to the next level as we celebrate 20 years. We currently work off of the interest from our investments but need to grow that investment through fundraising.

We are a totally volunteer group of trustees and need help in defining the marketing and fundraising to grow our bottom line.

When do you need it? Tuesday, August 10, 2010

What's your budget? \$500 - \$999
